About the Conference

Over the past 28 years, the Western Regional Planned Giving Conference (WRPGC) has earned a well-deserved reputation as one of the most stimulating and worthwhile educational opportunities for gift planning and other allied professionals across California and the western United States.

With this commitment to quality programming in mind, the 2019 WRPGC will provide sponsors the opportunity to gather with gift planning officers, major gift officers, directors of development, vice presidents, executive directors, and chief development officers from a wide array of organizations as well as estate planning attorneys, CPAs, financial advisors, wealth managers, and others who support donors in their philanthropic efforts. Past attendees have come from City of Hope, Archdiocese of Los Angeles, California Institute of Technology, the Sierra Club, CHOC Children's Foundation, Occidental College, California State University Northridge, Los Angeles Philharmonic, University of California, California Island Conservancy, American Heart Association, Los Angeles LGBT Center, American Red Cross, the Huntington Library, Jewish National Fund and many others, covering a wide spectrum of organizational sizes and missions. This is a wonderful opportunity to find out firsthand what they need to support their planned giving programs and to educate conference attendees on how they can use your products and services.

The Westin South Coast Plaza provides an ideal setting for the conference and its sponsors in an exclusive wing of the hotel's public area. Sponsors are located in the foyer directly outside plenary and breakout sessions for maximum exposure and transition periods are built into the schedule to allow plenty of time for attendees to mingle with sponsors and each other. Many networking opportunities with participants are available — don't miss out!
